

Farewell to Olivia Kellie

It was both a joyful and a sad occasion as members of St Johns choir gathered on June 23rd to say good-bye to Olivia Kellie. She has been part of the choir for the years she has been a student at Worcester University and her wonderful singing and warm personality will be much missed. She has contributed so much to the choir, singing solos in services, baking cakes for rehearsals and Evensongs and sharing in the fun of being part of the team. We wish her all the very best for an exciting and happy future as she embarks on marriage and a career in teaching.
