

Events Team trip to Hereford and Gloucester

On Saturday 14th April the Events Team organised a trip to Hereford Cathedral to see the touring Poppies Exhibition, commemorating the 100th anniversary of the end of World War 1, and then on to Gloucester to visit the Quays Shopping area and the docks. Over 50 people joined the trip. The weather was very kind and we all had a wonderful day. The following photos were taken by Colin Nash during the trip.
