

St John's Nativity – 14th December 2019

On Saturday 14th December the children put on a wonderful performance of the Nativity Story. Around twenty local children participated, having been working hard at rehearsals during November. Our version of the story centred around a group of excitable angels receiving updates about an amazing story unfolding in Bethlehem. We heard from the angels as they prepared a special song for the newborn baby Jesus.

With a few hiccups along the way, Mary and Joseph made it safely to Bethlehem where they were joined in the stable by shepherds, sheep, innkeepers and wise people, as well as a band of tuneful angels.

After the children's performance everyone sat down to tea and cake and a visit from Father Christmas who made a special visit.

Thank you to all the children who participated – we look forward to seeing you all again next year! Below are some photos of the rehearsal and performance.
