

Good Friday Walk of Witness

The West Worcester Churches Together united to mark Good Friday by performing a Walk of Witness. The walk started in the car park next to MacDonald's where the act of worship started with a reading, prayers and a verse of a Hymn. The large group moved off in silence to walk to St John-in-Bedwardine Church.

The group walked up Tybridge Street to the flats where they stopped for another set of reading, prayers and a verse of a hymn before continuing up in to St Johns. The group walked through the alleyway to Sainsbury's where a similar worship stop was made by the Youth Club.

Finally, the group walked through Sainsbury's car park and down in to St Johns where they walked along to the church.

Once everyone was in the church grounds a short service was held in the open air with various readings and prayers from members of the different churches involved.

The music was provided by some of the musicians that support the various churches.

Following the act of worship refreshments including copious Hot Cross Buns were provided for the congregation.
